Hey there Charles...I don't think Angeles Crest Hwy is in the city.

Josh Rubenstein  
Public Information Director  
Los Angeles Police Department

This weekend there were several terrible motorcycle accidents and at least one biker death on the Angeles Crest Highway, which per mile driven (or ridden) must be one of the most dangerous roadways in Los Angeles. I'm thinking of trying to write something about that. Can you help?

I'd like to discuss ways in which the police department might participate in a story about the dangers there, and how to avoid them.

All the best

Charles
